Sir,

Subject - Regarding the continuance of the post of Water Revenue Inspector on Rs 40+Rs 5 C A on a permanent basis

I have the honour to state that the post of the Water Revenue Inspector which was at first sanctioned for a period of six months in Government Order No.L 3799/M1 11-42-34 dated the 6th October, 1942 is being continued since then on a temporary basis, and that in view of the several duties assigned to the Water Revenue Inspector as detailed in the enclosed copy of the office note, it is now felt that the post should be made permanent for reasons stated therein, so that the duties connected therewith may be discharged in a satisfactory manner The Vice-President in charge of the Water Revenue Section has also supported this view The Managing Committee before whom the subject was placed for consideration recommended it to the Municipal Council who in their turn approved of the proposal in their resolution at the Ordinary Meeting held on the 28th October 1944

I, therefore, request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to make the post of the Water Revenue Inspector permanent

An extract of the resolution of the Council as also of the Managing Committee is enclosed, for favour of perusal.

I have the honour to be,
Sir,
Your most obedient servant,

R Ramachandra Rao
PRESIDENT

Subject - Re the continuance of the post of Water Revenue Inspector on Rs 40+5 CA on a permanent basis

The post of the Water Revenue Inspector was, at first, sanctioned for a period of six months as per G O No L 3799/M1 11-42-34 dated 6th October 1942 and it is being continued since then The following duties have been at present entrusted to the Water Revenue Inspector

1 Collection of arrears of water revenue
2 Inspection and verification of house connections which are disconnected for non-payment of taxes
3 Inspection and checking the proper use of water in public fountains
4 Service of Demand Notices
5 Enquiries on the complaints received regarding the inadequate supply of water and its proper usage,
6 Checking illicit connection of taps disconnected

It is also suggested that he may be empowered to execute the distraint warrants for recovery of water taxes to facilitate the speedy recovery, as at present, the work is entrusted to the Revenue Section All these duties will afford sufficient employment and justify the existence of a Water Revenue Inspector on a permanent basis

The fact that there is real necessity for making the post permanent was also noticed by the undersigned at the time of inspection of Water Revenue Section The Vice-President has also recommended in his report No N Dis 19/Pr 3/44-45 dated 13th July 1944 that in view of the several executive duties as detailed above, to be performed by the Water Revenue Inspector, the post may be made permanent

5

Hence, the subject is placed before the Municip Council for favour of sanctioning the post on a perm basis.
